

A pioneering initiative of Fluency Specialization in Europe:

# FLUENCY SPECIALIZATION

a one-year specialization course (20 ECTS) on Fluency Disorders:

The courses are developed for fully qualified speech and language therapists. Lectures are scheduled in two intensive weeks (each in a different country) and additional preparatory home assignments, follow-up sessions and practical work (including clinical placements) with supervisors recognised by the ECSF-team.

Information: [www.ecsf.eu](http://www.ecsf.eu)

The ECSF is a joint initiative of eight universities and colleges of higher education in Europe:

with the Support of the Socrates Programme of the European Union
